Spring Summer 2022

For more than 75 years Junge has designed
classic outerwear with a feminine and contemporary look.
The collection emphasizes our Scandinavian design heritage.
As always we do not compromise on details, quality and fit.

We design with the lifestyle of the modern women in our mind,
high quality and perfect fit ensures stylish and comfortable outerwear.

Our Spring Summer 2022 collection shows a range of carefully chosen
spring colors, from soft pastels over classic maritime navy/white to
strong colors.

Junge takes responsibility for our climate and environment.
We continue to use recycled fabrics and padding.

We look forward to show you our
Spring Summer 2022 collection.
